to meet the artists and view a selection of artwork from the *Microbial Worlds* exhibit currently on display at the Office of the UAF Vice Chancellor for Research. Refreshments will be provided.

**Friday, June 8, 2018 4-6pm**

West Ridge Research Building, Suite 212 2145 North Tanana Loop

**IN A TIME OF CHANGE**

**MICROBIAL WORLDS**

An Arts • Humanities • Science Collaborative Exhibit

Peer through the lens of the arts to discover the hidden world of microscopic organisms. Fourteen artists and writers magnify the microbiome in this collaborative exhibit sponsored by the arts-humanities-science consortium, *In a Time of Change.*
