Proposal meta-structure for integration
Discussion questions for coffee break

1. Do you feel the diagram effectively captures a strong meta-structure for integration of the BNZ LTER program?

1. What are the important areas of overlap that BNZ LTER members are well prepared to address in the next proposal?
   a. What linkages are we all ready and excited to rally behind?
   b. What "wicked problems", "pressing issues", "big & novel ideas" can we tackle through an integrated approach?

Random breakout groups of 5, report back to plenary
